TO THE R E A D E R.

F R I E N D S,

IT may seem strange to some that women should appear in so publick a manner, in a matter of so great concernment as this of Tithes, and that we also should bring in our testimony even as our brethren against that Anti-christian law and oppression of Tithes, by which many of the Servants of the Lord have suffered in filthy holes and dungeons until death; But let such know, that this is the work of the Lord at this day, even by weak means to bring to pass his mighty work in the earth, that all flesh may be silent, and the Lord alone may be exalted in them who can truly say, Now I live, yet not I, but Christ liveth in me, and the life that I now live is by the faith of the Son of God, which faith overcometh the world, through which faith the Saints and faithful of old subdued Kingdoms, wrought righteousness, claimed the promises; 'Tis true, we have need of patience, that after we have done the will of God we may inherit it, but he that shall come will come and will not tarry; Behold our God is appearing for us, and they that be in the light may see him, choosing the foolish things of the World to confound the wise, weak things to confound the Mighty, vile things, and things that are despised both God chosen, ye and things which

To the Reader.

which are not, to bring to nought things which are; Surely the Lord is risen, he is risen indeed and hath appeared unto many, he is also ascended and is taking to himself his great power, he is owning and will own his spouse, his Church which hath long lain desolate and afflicted. But now arise and shine O daughter of Sion, shake thy self from thy dust, put on thy beautifull garments, for thy Maker is thy husband, the holy One of Israel, and he will plead thy cause, and the Mountains of the Lord shall be exalted on the tops of all Mountains; and as he is risen in us, and become our first fruits unto God, so is he also risen for us even to cast out all our enemies, to bring down every high thing within us and without, that exalteth its self against him, and he shall ride on conquering, and to conquer till he hath subdued all our enemies, that God alone may rule and reign, and herein lies our strength, even in the power of our God, in it we can stand still and behold the salvation that he will bring to pass even for us, and here shall we be hid, while all calamities that shall surely come upon the enemies of the truth be overpast. And while we rest under the shadow of his wing we are safe, rejoycing in his will, and in every thing giving thanks, knowing it is his will in Christ Jesus concerning us; and in this let us testifie our Saint-ship to the World, even by our obedience to his will in all things, by living in his fear and to his praise all our dayes; and herein she desires to be found, who is called,

Mary Forster.

To the Parliament of England, who
are set in place to do justice, to take
off oppression, and to stop the oppres-
sors.

WE whose hands are hereunder written do
testifie and declare against the oppres-
sion of Tithes, and against the injustice
of them, which hath come up since the dayes of
the Apostles in the Apostacy, and set up by the
commands and laws of men, the author of which
was the Pope; and such as were got up since the
dayes of the Apostles, both out of the power of
God and Christ; for the Priesthood which was
made by the Law of God had a command accord-
ing to the Law of God to take Tithes, and is dis-
annulled and changed, and God never gave forth
a command, after he disannulled the first, that
Tithes should be taken again, these Tithes have
been set up by the Papists since the Apostles, who
witnessed the command of God disannulled, Heb. 7.
and all the Scriptures proves Tithes to the Jewes,
but not to the Christians, and the law-books proves
tithes set up by the Pope (since the dayes of the A-
postles, and not by the Christians in the Apostles
times) and he was the first author of them, and
so by a persecuting usurped authority were they
set up since the Apostles, whereby many have
been

been prisoned till death for not paying of them, and many have had most of their goods spoiled by Priests and impropriators that have brought up in Sessions and courts for conscience sake, because they cannot pay Tithes, as knowing the command of God is disanulled, that gave tithes, and the Law is changed by which the priest-hood was made, and the Priesthood also that took them, and since that time hath the laws of men, and the commands of men been set up, by the Apostates, Papists, from the Apostles, by their law spoiled mens goods that cannot observe the Law and command that gives Tithes, of them that have taken treble Tithes, and treble; therefore these things are laid before you, that you may consider by what power you act, whether by the power that set up tithes; if so, then we can but look for oppression, prisoning till death, persecution, spoiling of mens goods, haling up and down before Courts, and still an encrease of persecution; But this we say, if you, or whosoever do come into the power of God, you will say, with us, that this commandment of men set up by them the Apostates that be in the form of godlinesse and denys the power that gives Tithes, it must be disanulled. The false Christians hath set up a Law and a commandment to take Tithes of their own since the true Christians and dayes of the Apostles did witnesse and say the command of God was disanulled that gave Tithes, so must the commands of men be held up that gives Tithes, & the commands of God disobeyed which first gave them to the Jews; and the true Christians witnesse

the

the end of, and must not the commands of men be disanulled that takes Tithes as well as the command of God? *Heb. 7.* So who be in the Covenant of God, the Covenant of life witnessle the end of the command of God to the Jews that gave Tithes, and so the commands of men must be disanulled that take tithes, and not to be obeyed by them that live in the Covenant of God? Now if you act in the same power that hath held up tithes since the Apostles days, which hath taken away many of our friends lives, that hath been Prisoned till death, in nasty holes and corners, for bearing their Testimony against that unjust oppression of tithes, and the unjust power that held them up, and Priests and impropiators, and the Law and command, and the Author of it not to be of God nor of Christ, seeing Christ disanul'd the commandment of God that give tithes, and this command hath been set up by the superstitious Papist, who was the first author of them; Therefore what havock, what spoiling of Goods, and peoples estates taken away by the Priests impropiators, worse then ever the plundering Cavilliers? and what prisoning, what haling into Courts and Sessions people all about the Nation there is, and chiefly about these Tithes? and how many of their lives have been a testimony against it, and ended their lives in nasty holes and dungeons, for their Testimony against Tithes? therefore for us to be clear of your blood, and not to be guilty of innocent blood, we lay these things upon you, that if any be prisoned to death, as very many have been in these Nations, by Priests and impropiators, that we shall be clear in the sight

of God and have forewarned you, and let their blood be upon you, who are in the place to do Justice, and to take off oppression which you may do while you have time, if you live in the power of God; and let not the Nation be ruined, and people prisoned to death, and the blood of the innocent be drunken, as abundance of it hath been within these few years, which lies upon the heads of some; Therefore keep it clear from off your own heads, we warn you which to you is the word of the Lord God; there are many in the Prison at this day in nasty Goals, bearing their testimony for the Lord Jesus Christ (that disannulled the command that gave Tithes) against the commands of men set up in opposition to him since the dayes of the Apostles, who witnesses the command of God disannulled that gave Tithes.

So here are our hands and Testimony to you now, not that we are weary of suffering and of Imprisonment, nor cry to you for help, but because the blood of our brethren hath been spilt, and also many thousands have had their goods spoyled and taken away, and many of them Imprisoned to death, whose blood lies upon the heads of their persecutors, but it is that you may keep your selves from blood, and stop the oppressors that causeth it, and so keep the Nation from the plagues and judgments of God, and your selves also, that you be not rooted out and cast by, by the power of the Lord God, for not doing Justice, and not relieving the oppressed, as many have been before you, and suffering his Lamb and babes and servant, their blood to be shed for bearing their Testimony.

ny, and suffering their goods to be spoyled, so as you are in the power of God, you will throw down the power of the Papists in these Nations, that set up tithes, and then through that power that throws them down will you come over the tyrannicall oppressing power of the Papist, to live in the power of God, which the Apostles were in before the Papist came up, and the Lawes and commandement that upholds them.

That all forced maintenance of the Priests be taken away, for while such a thing is set up, it will spoyle many idle men that will neither plant, nor dig, nor make Vineyards, and will not Plow nor Sow, that they may Reap, neither will they preach the Gospel, that they may live, and these are never like to plant Vineyards, but such as are fat and lazie they will run for forced maintenance to you, and these spoyle a Nation, and keeps it from being a free Nation, and a free Ministry, and keeps the people from being a free people, and these are the filthy beasts that would have the mouth of the Lord stopped, and teaches for filthy lucre, and admires mens persons because of advantage.

And such there were in the dayes of the Apostles before these tithes came up, by the Law and commandement of men among the Papists, since the command and Law of God was denied, therefore after you have taken away tithes and forced maintenance, which is set up, and is not like the Apostles, but like such as teach for filthy lucre, you enquire what you shall do then, (well) let every one plant that they may reap, and let every one
sow.

low spiritual things that they may reap carnal, and let them preach the Gospel, that they may live of it, and that is our hearts desire, and the spoyling of our goods, and our brethren that hath been Prisoners to death for not paying tithes, is our Testimony to all the world, that it is not for covetousnes sake that they suffer, but for conscience, and for truth and Righteousnes, and that shall be answered to the witness of God in every one of your consciences, yea, and to the witness of God in all our oppressors, (whether it be Priest or Impropiator, or Lawyer, that hath bought tithes) who for conscience sake we cannot pay them, but say his Commandement must be disannulled, that gives them tithes, as well as the command of God which is disannulled by Christ; and this we suffer with our lives and estates.

We who are of the Seed of the Woman, which bruisheth the Serpents head, to which the Promise is, Christ Jesus in the Male and in the Female, which is the Everlasting Priest, not after the Order of *Aaron*, which took Tithes, nor of the Tribe of *Levi*, but of the Tribe of *Judah*, and who is a Priest for ever, made by the Oath of God, after the Order of *Melchizedech*, and remains a Priest continually; And therefore can we set our hearts and hands against *Aarons* Order, which is disannulled, and the Law changed, and do bear our Testimony, that Christ Jesus the Everlasting Priest is come.

CHES-SHIRE.

To the Parliament of England, &c. To do righteously,
and to stop this unrighteous Ministry that makes ha-
vock, spoils mens goods, and imprisons them, and
persecutes them till death, for Tithes.

ALL Tithes was since the fall that man was drove from
God into the Earth, false and true, set up by God
and man; Tithes in the War to Melchizedek, the similitude
like the Son of God, to which Abraham paid the Tenths of
the spoil; Tithes in the Law set up by the Command of God,
for Levi, for Fatherless, for Widows, for Strangers, and
preserved and kept in a Store-house, and Christ being come
after the Order of Melchizedek, he maketh an end of all
similitudes and likenesses, he ends the War and makes
Peace on earth, and redeems out of the fall and transgres-
sion, and destroyes the Devil the cause of War and strifes,
whereby he brings Peace on earth and reconciliation with
God, and all things in Heaven and things in earth, destroy-
ing the Devil the author of transgression, that went out of
truth, so leads into the Unity; he is, Christ, that ends the

Law,

Law, and ends the Priesthood which takes away the Tithes, and the Commandment that gives them, which is according to the Law that holds them up, and so redeems man out of the Ninths of the earth, who ends the Priesthood, Law, Commandment and Store-house, for earthly things, that hath the Tenth, whereby people come to know their Election before the World began, and this we witness, drove from God, into the earth, up unto God again, redeemed, out of the earth, up to God again, so we come out of the Ninths and the Tenth which were offered up to God in the time of the Law, so we come to know before the earth was, being in Christ by which all things was made, to reign as Kings upon the earth, and Priests to God; so man drove from God into the earth by transgression, man brought to God out of the earth by Christ the Emanuel: a Virgin shall have a Child, his Name shall be called Emanuel, his Interpretation is known, which is, God with us, who hath known the time with God, who ends the War, and ends the Law and similitudes, and figures, and Priests, and Tithes, and Commands that gives them, and such as are here in Christ are in the substance, and cannot hold up Tithes in the War nor Tithes in the Law, nor the Priest that takes them, nor they that give them, nor sees the end of the Law, and the Commandment by which they are upheld, being in Christ the substance, and such holds forth a Testimony against the contrary, that is, the Tithes in the War and in the Law, and such knows the Election before the world began, and are out of the Ninths as well as the Tenth, and are out of the War, and knows the Kingdom that stands in Peace, and lives in the Peace, and knows the Peace on the earth, and good will towards men; So Tithes since the dayes of the Apostles in the Apostacy set up by the Pope the Papist, his Law and Command we utterly abhor, deny and detest against, which is a shame & abominable to be mentioned among them that are called Christians, and do see that they that give them, and they that take them are neither agreeable to Law nor Gospel, nor Melchizedeck, for the Law made provision for Levi and for all Strangers, Fatherless & Widows, that there need not be a beggar in Israel; and

Melchizedeck took the Tenth of the spoil from *Abraham*, it is read he once did so, but you do not read that he took the Tenth of all the spoil of all the Wars of all Nations from the Souldiers, and the Gospel and they that preached it, which Christ sent forth in that time, when the Jewes Law was standing, and the Store house, and Tithes, and the Commandment; Christ did not send his Disciples with a Bagg to the Store-house, to take Tithes out of the Store-house, out of *Levies* maintenance, and Widows, Strangers and Fatherless, but sent them without a Bagg, and said, Freely ye have received, freely give; and enquire who is worthy, and what is set before you, that eat; And these that Christ sent forth, when they came back, Christ asked them, Wanted ye any thing? their answer was, they did not; so these planted Vineyards and eat the fruit, these got a Flock and eat the milk, they lived in the Gospel the power of God and preached it, and these brought people out of the Ninth, and ended the Tenth, and ended the Law, and the Commandment, and wrestled with that that caused the War, so trod out the Corn, threshed in hope, ploughed in hope, sowed spiritual things, reaped carnal things, and they that were taught in the Word communicated of those things to him that taught; so the teacher and the taught was in the Union, and they did not run unto the powers of the earth rawly for Tenth; Now Tenth are amongst them that are apostatized from the Apostles, and they have set up laws to give & take Tithes and treble damage for Priests and Impropiators, and come with Troops of spoilers, with bills and staves, not like Preachers of the Gospel: but no Store-house for Widows, for Strangers, for Fatherless, but all Countries and Cities are full of beggars, and streets and allies, and Steeple-house-doors, which is enough to make all them sick that fear the Lord, to see that Christianity should be worse then the Jewes Law, and that they are neither agreeable to Law nor Gospel, nor Tithes in the War; So all Tithes we bear witness against, Tithes in the Law, Tithes in the War, and Tithes of Apostacy, who witness our Redemption out of the earth, and Election before the World began, and so reigns upon it afore Tithes of the War, and Law and Apostacy was, and transgression both,

both, and are redeemed out of it, who are in Covenant with God, and Peace with him.

And so we say, that all that Petition you for Tithes are Jewishly minded and Popishly affected, and are not the true Christians nor Christianly minded, and rather worse then the Jews, for they do not put the Tithes to the same use that the Jews did; and the Priests are all scandalous Ministers, for they scandal their Master Christ, & their Lord, whom they pretend to serve in dishonoring him in seeking to you the Magistrates for their maintenance, as though Christ did not provide for his, and give them maintenance enough, and those Magistrates that were Jews, and since the dayes of the Apostles, the true Christians, there hath been the Popish Magistrates in the beast, false prophets, Antichristians, Dragons, false churches, dayes, since the true Church went into the Wilderness, but she is preparing her self for her Husband, and coming out in her glory, and the man-child is witnessed, the husband, and the shout of a King is amongst us, the Lord God Omnipotent, who will throw down all that is come up since the true Church went into the Wilderness; Therefore we with our names and hands do bear our Testimony against Tithes, the giver of them, the setter of them up, and the taker of them, and would that you and all People should turn to the power of God, in which ye might be in union and take off these things, which doth oppress the Nation, in which power there is no oppression.

Y O R K - S H I R E.

We whose names are here underwritten, being truly sensible of the great oppression (by reason of Tithes) in this Common-wealth of England, by the cruel exacting of Priests, Impropiators, Farmers and others, by imprisoning of some of our Brethren till death, others for years; and by making spoil (and waste) of others goods, to the utter undoing of them and their Families (as to the outward) we do here in the presence of the Lord God, and in the sight of men, bear our Testimony against that oppression, by setting our names to this Paper, who desire the same may be tendered to the Parliament of England, that that burthen may be removed.

DURHAM

We whose names are underwritten, seeing the unjustness and oppression of Tithes, do in the fear of the Lord bear witness, and give Testimony against them: And those that Receive, and by great and cruel Oppression requires the Payment of them by a Compulsatory Law, or condemns the refusers to Prison for not doing it. And if the Lord suffer such a thing to be still by the hard-hearted Tax-masters, we are by him made willing to give up our Bodies and Estates, for keeping our Consciences clear, rather then yield to the oppression and unreasonableness of some men who makes shipwreck of good Conscience, so they may have their wills of the other; And to this is our hands put.

ESSEX, NORFOLK, SUFFOLK, CAMBRIDGE, and HUNTINGTON.

To the Parliament of England, &c.

Now friends, you being first chosen by the Nation as a Parliament for to do the Nation the right, and to take off the Nations oppressions; are not you to search out the oppression? and are not people to lay their oppressions before you, without petitioning you to do them justice? and is not petitioning often for exalting such that will not do justice without flattering petitions, and then have but thanks, and seldom the thing done? and has not flattering petitions and addressees exalted such as God hath overthrown, that hath not done justice, nor will not do justice to the just, when oppressions and grievances have been laid before them? the cry hath been, It hath not been a petition, it hath not been an address, because it hath not been in the Worlds method and form; therefore the oppressed shall not have justice done to them, which ought according to justice and equity, when the thing is made known unto you in the simplicity and innocency, without flattering petitions and addressees, you ought to do them justice, (for that end are you of the Nation chosen) if the grievance to you be made known, else the grievance will lie upon you; if you do approve your power and not abuse it, you will remove the grievances off you and the Nation, which if you do not, God will overturn you by it; and if you will set up a ministry, and own a ministry, let them be such as will keep the Gospel of our Lord Jesus Christ, the second Priesthood, without charge; for here are our Names who are the witnesses of Christ Jesus, that he hath disannulled the Commandment that gave Tithes, and hath ended the Priesthood that took them, and we are witnesses for Christ Jesus against this Popish Anti-Christian Ministry that

takes

takes them, who are of the Popes tribe, got up since the Apostles, with their law and commands for Tithes (out of the power of God) which must be ended and disanulled by the power of God, which are not of the tribe of *Aaron*, nor of the tribe of *Christ*, for neither *Christ* nor the Apostles after they had disanulled the commandment of God, never set up a command in the World after that was disanulled, for to give the tenths to a minister; for the first command was only to the *Jewes* that gave Tithes, which *Christ* the everlasting Priest denied, whom we confess ended, in whom ye live, who is our life; and this is our Testimony given in to you, our faith stands in that power that bringeth down the mountains, and exalteth the valleys, and layeth them down with the valleys which are grown to be mountains; & thus doth God overturn by his power & arm all transgressors.

BERK-SHIRE, HAMP-SHIRE, and WILT-SHIRE.

To the Parliament of England, &c. For them to do Justice, and to take off the unjust oppression of Tithes that was never commanded of God.

THE Priests that sues our Friends up in Courts for Tithes, said, They could not pay the Protector his Tenths, who took the Tenths of the Tenths, except they had their Tenths, and that was their excuse; and therefore they sued us in the Protector's name, & have prisoned our Brethren to death, and drove away almost all their goods they had. The Pope took the Tenths of the Tenths, the King took the Tenths of the Tenths, the Protector took the Tenths of the Tenths, which have been overthrown before you, which hath taken the Tenths of the Tenths from the Priests, which wrestled it out of the Popes hands, which the Priests does no work for us of whom they take the Tenths, and keep us in the Ninth; and so they cannot say we are covetous, that do not pay them Tithes that do no work for us, and we never set them at work, nor hires them; Now if you take the Tenths of the Tenths, do ye walk out of the steps of the Pope, King or Protector in that? And therefore we say, all those things must be broken down by the power of the Lord, which will overturn Pope and his Tenths of Tenths, and overthrow his Ministers, and the takers of them before you: Come into a Reformed Church, as it was amongst the Apostles, ye must deny the commands of men that gave Tithes, before you come to the Church in God the pillar and ground of truth, that disannuls the Commands of God that gives Tithes: And Christ did provide another maintenance for his Ministers and Disciples then Tithes, and did not send them to the Storehouse for to take the Tenths, though the Jews Law was standing, &c

the Priests that took Tenth before Christ was offered up, and while that Law was standing, Priests was standing, and his maintenance the Tenth, and when that Law was changed, the Priesthood was changed, and the commandment disannulled that gave Tenth, and they that came into that that ended the Law, and changed the Priesthood, and disannulled the commandment, came into Christ the everlasting Priesthood and Covenant, of which we are into the Election before the World began, and here underwritten are our names that do testify against the oppression of Tithes, and they that have set them up, and held them up since the dayes of the Apostles, and that Law and Church; for the true Church suffered in the Primitive times by that Priesthood that took Tithes for bearing their Testimony against the Priesthood that took Tithes, that the commandment was disannulled, and that Law was changed by which it was made, and the Priesthood was changed also, and so he was to cease, so that Priesthood was of no force, nor Law that was made, nor commandment that gave them Tithes; And so by that Priesthood that had the form of godliness and not the power, by such the true Church and the Apostles suffered, as we now, by a false Antichristian Priesthood, and a false Law, and a Commandment set up by the false Antichristian apostatized Christians, since the dayes of the Apostles, since the true Church fled into the Wilderness, hath the false Church upon the Beast set them up, by whom the blood of the Martyrs, Prophets and Saints have been drunk, and the witnesses slain; but the true Church is coming out of the Wilderness again, and the Beast and the false prophet cast alive into the lake of fire, and the Judgment of the great Whore is come, the false church; The Lamb, the Saints shall have the victory, the Lamb, the Bride is known again, preparing for her husbands coming out of the Wilderness, and the daughters of Abraham are meeting of her, who gives in their Testimony against this oppressive Church, Ministry and maintenance, and their Testimony of the Lord Jesus Christ to reign, and that the everlasting Gospel is to be preached again to all Kindreds, Nations, Tongues and People, and Tithes shall be taken away and denied by them who are come into the power of God; the Gospel is the power of God which ends mens commandments that gives Tithes, as well as the Commandment of God; Tithes were thrown down by the power of God witnessed by the Apostles, though once a Command of God, and since their dayes set up by the commands of men, and must be thrown down again by the power of God which.

which never changeth, and the Christians suffered by the Jewish Priesthood that took Tithes in the dayes of the Apostles; so the Jews inward suffered by the Jews outward since the dayes of the Apostles, in the primitive times hath the true Christians suffered by the false Christians, for not paying them tithes, who have set up tithes not by the Command of God, neither is the Priesthood made by the Law of God that takes Tithes, for that Priesthood which took Tithes was made by the Law, and they were not called Ministers of the Gospel, but was made by him who ended the Law, and the Priesthood by which the Law made, and disannulled the Command that gave them, and this the Apostle witnessed the Ministers of the Gospel, and there was never no Priesthood that took Tithes who was made by the Law of God, but what was in the time of the Law, in the time of the War, which Law Christ ends, and takes away the occasion of the War; this Priesthood which takes Tithes now, made by Colledges of men, they are neither made by the Law nor Ministers of the Gospel, but by the inventions of men; So we in the power of the Lord God deny them.

OXFORD.

We whose Names are under-written, do here set our Hands against the Injustice of Tythes, and long Oppression of them, which hath been upheld contrary to Christ Jesus, the everlasting High Priest, who is after the Order of Melchizedeck, and not after the Order of Aaron, &c.

BUCKINGHAM.

A remnant of the Lords hand-maids in *Buckingham-shire*: Truly wee cannot, whose hearts are upright to the Lord, but joyn our testimony with our Bretheren, against the unjust Oppression of Tythes; and have with one consent our Hands set, in the Power of God, to stand in the time of Tryal, witnesses for the Lord against the same.

GLOCESTER-SHIRE.

To the Parliament of England, &c.

To do equity, to take off this unequal maintenance of the Teachers, which do take of people whom they do no work for, who swallows down the needy for a thing of nought; and the Judges of their Courts have been like ravening Wolves, prisoning such unequally on the Priests behalfe, whom they do no work for, and will not give them maintenance; Therefore if you equally do weigh and consider things to bring the Nation into peace, it must be in equity, for if you do but consider these Priests which are the bringers of the Nations into troubles, setting them one against another (which was not the way of the Ministers of Christ, whose) throates are as open Sepulchres, who drinks up iniquity, and who swollowes down all; (mark) the fatherlesse part, the widdowes part, and the strangers part, and so are worse then the Jews.

HOW do you who are the heads of the Nation expect we should pay your taxes, when you suffer the Priests to take away our goods, that do no worke for us, and they come and claim through a pretence Tythe from you, of us for their preaching, that to us does not preach, and will not suffer us to try their doctrine, but we must receive all whether bad or good; and if we do question it, six moneths in the house of correction, or five pounds fine: And if the Priest come and pretend 15 l. Tythes they will take a hundred pounds; You grant them fifteen pound of us whom they do not work for, and they will take a hundred

pounds, & drive away our horses and oxen, and plough geer, and take ten times as much as the value, as they have done, which is upon record, whether this be the way to ruin a Nation, or to preserve it, judge in your selves, and how in this case we are like to pay taxes; this is not the way to bring the creation into liberty, which would be at liberty, but to keep it in bondage, and it is an unrighteous thing to force people to maintain a Minister that they know in their consciences they are contrary to God; & then again it is an unrighteous thing that they should not have their liberty to question and try their doctrine without imprisonment, and friends, yet this unrighteous Ministry shall have their liberty, and be tolerated by the power of the Nation to spoil the goods, to summon to Courts, to prison to death, to take treble and treble more then themselves demand, and to drive away the goods, Cattle and Oxen of them they work not for, judge in your selves concerning these things, here are our names against it

LONDON and SOUTHWARK.

To the Parliament of England, &c.

TO you which should do Justice, we who are of the female kind, whose names are underwritten, do bear our Testimony against Priests and Tithes, who have spoiled our Friends goods, and prisoner many of them to death, and hath many of them in prison, because they cannot put into their mouths that doth no work for us and them, which is an unreasonable thing, and they that be so much crying up Tithes for maintenance for their Ministry, are such as are covetous and great men, whose fruits declares which is manifest that they have not so much love to their Ministers as to maintain them themselves, but would have others to maintain them with Tithes, them that own not their Ministry, and is not of their Church,

Church, and this is their end, we see their crying up their Ministry is not to maintain them themselves, but that others should maintain them for them, whom they do no work for, and this is their covetous end; so this is to save themselves, and not so much that they care for their Ministry, if they did, they would maintain them themselves, and would not seek to others to maintain them.

1. Let no man be prisoned for observing the Order of the Church of God and Doctrine of the Apostles, that is, if any thing be revealed to him that sits by, the other is to hold his peace, that all may learn and be comforted, least you be the men that quench the Spirit, and limits the holy One, and dispiseth prophecies, comforting and edification.

2. Let none be prisoned for not paying Clerks wages; for saying Amen, turning the hour-glass, and such like services.

3. Let none have their goods spoiled or be imprisoned, because they would not come to the old Mass-house, which is called the Steeple-house; for we are prisoned and fined for not going to the Steeple-house, & we are prisoned & fined for going to the Steeple-house, and asking the Priest a Question, and yet our goods are strained and spoiled, and we are prisoned because we cannot mend the Steeple-house, and yet will not suffer us to come there; and in some places will hardly let us stay from it without fines, and we are prisoned and our goods strained for not giving the Priests Tithes, who will not answer us a Question, and they hale us out if we come but into the Steeple-house; and there never was in the world such an untoward and unreasonable generation, Edification, Comforting, Learning and Prophécying is destroyed in your Church, 1 Cor. 14. 13.

4. Let none have their goods taken away for not paying for the Priests bread and wine, their Communion, those they do not eat withal nor hath not for these many years, yet the Church-Wardens, so called, strains the goods of our Friends, to make them pay for their bread and wine, and Communion which they eat and drink.

5. Let the Creation have its liberty; how do you, who are the Heads of the Nation expect that we should pay taxes when that the Priests takes our Friends goods, and plunders them whom he doth no work for? and some of our friends who have been for the Parliament ever since the beginning of the late Wars, have suffered more by these plundering Priests, then by the plundering Cavaliers, and

To the PARLIAMENT OF ENGLAND.

We would have you to read these things, and do justly as it speaks.

LEt the Impropriators who bought or rents their Tithes of the Colledges, turn them up to the Colledges again; or unto whomsoever they bought them of, and demand their money again; and let the Colledges be taken away that makes Ministers, and do not let them stand up in the Lords place, nor you neither; for God is able to make and send forth Ministers into his own vine-yard; and do not take the authority from Christ, unto whom all power in heaven and earth is given; and cannot

he make Ministers without Schollars or Colledges ? And doth not *Iohn* a Minister, say, as many as receive him, to them he gives power ; And so whom he sends forth are content with his wages ; receive freely, give freely, and that is set before them, that they must eat ; they must not go trouble Magistrates, the powers of the earth, which Christ bids go into all nations to preach the power of God, which is the Gospel ; but Ministers of men, not by the will of God, whom men sends forth, that makes not vineyards, that plowes not, nor threshes not, such as they seek to men for Tenets, and keeps people in the ninths, that hath set up tenths by a Law, that sends labourers into the World, such as are made by natural tongues, which be natural men ; And those are them that have persecuted us for maintenance, and hales us up to their Courts for their Tenths ; which hath made the Gospel burthen some, and have been the stirrers up of Magistrates, who gives them the tenths for persecuting of such whom the Lord sends into his vineyard, and these have made the tumults in the Nations amongst people, about outward things, which is their maintenance, not for preaching the Gospel, but about outward things ; do ye think people do not see these things ?

And you may sell all the Gleab-lands, and Abby Lands, and Monasteries, and Nunneries, and Kings Rents, and his houses, and the bells to pay the Impropriators, who have bought the Tythes of Kings, let their rents and parks be sold to pay them again, and let the Earth be restored again to its place, and they that have bought them of Colledges, let the Gleab-lands be sold to pay them, and so let the Earth be redeemed.

To the Parliament of England who ought to free the Nation from oppression and oppressors.

FRIENDS, a Compelling Worshipper hath a Compelling Ministry; a compelling worship and a compelling maintenance; so this is the

the false Churches way, got up since the dayes of the Apostles, which is not by the constraining of Love; so we with our hands and names, lives and estates go against it; now in the day in which the Lamb and the Bride his Wife is coming out of the Wildernesse.

Part of WALES and HEREFORD-Shire.

To the PARLIAMENT of ENGLAND, &c.

FRIENDS,

YOU have thrown your selves away out of the affections of the sober people in setting up Tithes, notwithstanding the many Petitions and addressees unto you against them up and down the Nation from the sober people therein, and the well wishes of the choicest of the Nation towards you; Now the contrary part in whose hands you fall, and to whom you joyn and yeeld to, will not stand you in stead in the time of your Tryal; and how should they but fear you, and stand in question of you that have not taken off the Tithes, the opprellion? and by which the cause not taken away the Priests and the Parishes be on heaps, and persecuting their hearers, and oppressing of them with treble and treble damage; and therefore the sober people of the Nation would have had you to have taken away Tithes that caused the difference in the Nation, and to bring peace in the Nation, which if you do not, the Lord by his

power

power will remove you as unfit for his use, and break you to pieces; if that you do not dwell in his power that doth break to pieces; and fear the Lord God and dwell in it, the power of God, and his wisdom, that thereby you may know the supreme power over all the world, and transgressors in it, in that line. You have hindred your selves from the love of the sober people of the Nation, and if you do not take off oppression, how should the Lord stand by you, or the people of the Lord either.

Therefore consider these things, and the Lord give you understanding, for all eyes are upon you, good and bad, and wait to look what fruits you bring forth. Therefore it is the Word of the Lord to you, joyne to no wicked thing set up by the Papists, to no accursed thing, to no abominable thing, for if you do, the Lord will throw you out and overturn you; Therefore joyne to that which is good, if you do intend to have his blessing.

If you querie how you should do with Impropropriators; Sell all the Gleab Lands, and the Bells, except one in a Town, or two in a city, to give notice of fire, and all the late Kings Parks and his Rents, that had Tenths, and sold the Tithes, to make up these, to give to the Impropropriators that have bought Tithes, and the Abbies and the monasteries, which much of the Tithes were given to, if you do intend to satisfie the Nation, and deny your selves of his Parks, houses and Rents; So let them be sold, and the Colledges sold, and all the Tithes that belong to them thrown down, and then if you will have Schools to teach boyes Natural Languages and several Tongues to make Merchants of them, let every one that sends his Son pay him his wages; and if any neighbours be moved to help them, let them help them, that none be compelled by a Law to maintain anothers Ministry, but what is done, let it be in love; So let Christ send forth his Ministers and Labourers into his Vineyard, and so cumber not your selves about the Ministry of the Gospel and its maintenance, and let no man be persecuted about Worship, Church, Ministry, Priests maintenance; but if any man hath received freely, let him give freely, so let the Nation be brought to a free Nation, and the people to a free people; for we declare with our hands, and with our lives and estates against the Ministry that takes Tithes, and the fetters of them, and the first Author of them up, and the Law that upholds them, which have been set up since the dayes of the Apostles; but keep the peace, and give them what you will give of your own Freely, and do not compel people to maintain a Minister which

which they know to be false, and to be in error, and a Persecutor and a Minister of unrighteousness. Trust not in the arm of flesh, for the arm of the Lord which is the power, is able to overturn all, and which will wither all flesh, and the reasonings of flesh, and all who trust in any carnal thing, or strength, or weapons, but onely the power of the Lord God, his strength and hopes will fail him, and the power of the Lord God will go over him, which hath no end; Therefore trust in the power of the Lord God, which comprehends the whole world which hath no end.

To the Parliament of England, &c.

YOU who are the Parliament of this Nation, you should have thrown down
 tythes, which is the cause of so great troubles in the nation at Courts, Assizes &
 sessions; and many families in the Nations their goods spoiled, and their estates ruined,
 many prisoned to death by Priests and Impropiators, which abundance of the so-
 ber people of the Nation hath petitioned you, and sent to you by addressles, to have
 them taken away; which your voting them, up have voted your selves out of the sober
 peoples affection of the Nation, among the bruits; and such as be brutish will not
 be led by them in the day of your tryal.

2. If you querie, how shall the Impropiators be satisfied, who bought the tythes
 the King, have you not his parks and his rents? have you not his houses to sell and
 take up their money, and give them again? or will you sit down in his houses and take
 possession? hath not God thrown out such before you? will you be like them that
 take and takes possession? will ye stain your selves? have you not houses of your own
 sit in? this is a warning to you least you dishonour your selves and your names.

3. You should have sold all the Gleab-lands, and sold all the Bells, saving one
 only in a Town, and Colledges and their Lands, and given them to all the poore
 of the Nation; that there need not have been this lamentable cry for bread and cloathes
 among the poor in the Nation; and have paid the Impropiators with the overplus.

4. All that would have a Minister, let them maintain him.

5. All that would have meeting houses, let them maintain them; and all that
 would have Clerks to turne the houre glasse, and say amen, and hang the pulpit-
 cloth, let them maintain them, and not suffer others to be cast into prison because
 they would not maintain such, and held up such, and maintain such things for others
 have not the use of them.

6. And all such as have bread and wine for their communion, not let others be forced to pay for it, that eaters nor drinks nor with them, neither hath any communion with them, nor suffer them to be compelled to pay for it, which neither eat nor drinks, for that is a beggerly communion; but they that will have a communion let them pay for it.

7. Let none be fined and imprisoned for not doffing their hats, and let none persecuted for saying thee, and thou, thee to a particular, and you to many, and give over setting up of images, in your steeple houses, and daubing them over with gold, as at *Tantlins* steeple-house in *London*; let the money that you bestow such vain things be given to buy the poor cloathes and bread, and that wholesome means may be provided for them, as *Nurseries*, that none may be starved or perish with hunger.

8. Let no one be fined or imprisoned, or compelled, or forced to go to the steeple houses, and that no one should be whipped for vagabonds or rogues which speak the word of the Lord, as they have been, which are worth 40. or 60 pounds by the year, and that none should strike or fight, or that none be banished about Religion worship, seeing Christ said love your enemies, and the Apostles said, we wrestle not with flesh and blood; and how have you obeyed Christ and fulfilled his will, who there hath been so much whipping and blood-shed, and wrestling with flesh and blood by Church and ministry for maintenance in this Nation; let none goe under the name of a Minister of Christ that will have any persecuted for speaking to him, or persecute any because they will not give him maintenance, imprisonment, or hales before magistrates and Courts, let not these go under the name of threshers, or plowers in hope, such as serves not the Lord Jesus Christ, but their own bellies; let all such as these which are called ministers, be looked upon as popish, and not according to the Apostles, that for Tythes, Easter reckonings, Gleab-lauds, mortuaries, ten groats a grave, 10 or 20 shilling for a sermon over the dead; Church women for money, sprinkle infants for money, and are made ministers of men, and by men, just like the Heathen as they make their Powoughs, which priests are not made by the Law, these that profess themselves to be ministers of the Gospel are not made by the wil of God, nor by the revelation of Jesus Christ, for revelation they deny, & so are made manifest to be the false Church and not the true Church, which Christ is the head of, in whom he is in the middle prophet and King, who doth reveal himselfe to his Church and people, to all the which Christ and God hath not sent into the vineyard, but which are made by the will of men, and are sent but from men, these have been traytors to Christs doctrine and to Christ their King, who faith love your enemies, but these persecute their church friends, which are friends to their soules, for their maintenance, and so are out of the Apostles doctrine, which faith, wrestle not with flesh and blood, which never prison any for their benefits, nor haled before Magistrates, as this popish tribe hath done since the daies of the Apostles; so the Lord give you and all people an understanding to consider of these things, and what hath been lost since the daies of the Apostles and what now hath been come in again.

DORCET-SHIRE.

1. **F**RRIENDS, It is manifest that those called Priests and Teachers of the World, are them that serve not the Lord Jesus, but their own bellies, and the Priests and Teachers of the World seeks ours and not us, it is now made manifest.

2. The Priests and Ministers of the World, are such as loves enemies, and persecutes their friends.

3. And they are not such as wrestle not with flesh and blood, but with flesh and blood; nor such as wrestle with the powers of darkness, and brings the Creatures in the Liberty of the Sons of God.

And the Priests cry to You the Magistrates for Tithes, the Popes Almes, and this they lye begging with their Petitions, and lye ready at your doors; and we would have you to maintain these begging Priests some other way then by the Popes Almes, and not suffer them to go plundering up and down the Countrey; and this is our desire.

Now whether the people of God hath not suffered more in your dayes concerning Worship, Church, Priests and Maintenance, Clerks and Tithes, and in Courts, and spoiling their goods, and death, and imprisoned, and whipping (for speaking the truth) as Rogues and Vagabonds, those that be worth three or four score pounds a year, and in the Counties where they dwell; and some for not doffing their hats, and for speaking the word thou to one, and you to many (singular and plural) then the Puritans did in the Bishops time?

And are not you worse then the Ecclesiastical Courts, who held up their Tithes, Priests, Steeple-houses, Clerks, Vicars, Curates, their maintenance by a Law? but you have none, and yet profess Liberty of Conscience.

And Friends, as long as any of you have any Interest in Tithes, or any thing else which doth oppress the Nation and the people, it must be a greater power then self that must bring you to deny yourselves, and to work the Nations Redemption, and to bring it into Liberty, from under that which doth oppress it; and so let that man

...made to ... the Temple, ...
... did not this ...
... called teachers in all nations, ...
... the Temple ...
... the Temple of God? Now is it a greater thing
... against your cities, friends made at school, ...
... against the ... made ...

... lands, which are ... since the
... the Apostles, ... without denying
... Power, was not that ... that set
... or do not all they deny the higher power that ...
... all these things, which higher power is ... of God, to
... the soul must be subject to; which power goes over the
... Back, false ... out of truth, ...
... is not that the higher power, that makes him ...
... binds him under, which ... him ... to ...
... must be subject to? and are not all they that hold of
... the temple, ... Jews or Christians, in the
... power, ... worship, invented Temple,
... Schools, for men to serve ... to be made ...
... limited to their classes, ... prison such as
... the Lord's power to speak to them, are not all these ...
... the Dragons power, & held up by the Dragons power, the Devour
... Destroyer, ... in the power of God, that ...
... with flesh and blood, is not this the Power of
... Devil, is not that the power of God, the higher Power

which he is subject to, that we shall, with powers of
 Darkness & spiritual wickedness in high places, the stbs, such
 as flesh & blood, but save, men's lives, but destroy, them and
 in the liberty of the sons of God, is not thus, the higher, power
 and the power which God hath ordained, to which they
 must be subject, and is not this power known, when
 it is in the highest, a supream or king of kings, if he be in it? And
 not the greatness against Jerusalem - say, God is not worshipped
 there & the idols are set by a priest, which you call synagogues
 Temples? Was it not the greatness among the Jews that God
 was where he worshipped, but in the temple at Jerusalem, thither
 Nations should come to worship & he that would not come,
 should die, this evil should eat of his head, as in Zacha-
 rie's Prophecy; yet when Christ came, he told them not at Jerusalem
 nor at Samaria, neither at the mountain, but they who were
 the Father, must worship him in Spirit, mark, in the Spirit, in
 truth, but not the power, that Christ tended through power, and
 respects, we said all nations, must come to worship him, but
 doth not the Jews & the Gentiles, that differ one from another
 worship by his authority, and compel all to come
 his worship by his compelling power, see here, the worship
 at this place, or that place, or that place, so that
 from the Spirit in them, from the truth, in which they are
 shew the Father & they that will not go, it is as high with them,
 than in him, on them, ~~there is~~ all quiet authority, the
 not subject to the higher power, compel all small & great, if
 will, they are not fit for the Common wealth, & all is in the
 name of Jesus, that will not come to worship at this or the other
 house or at this or the other place; this is not like Jerusalem
 Samaria, or the mountains. Did Jerusalem & Samaria
 so many about Religion, as they have done since the days of
 Ananias? Come let us reckon with you, you outward worshippers
 Come, must not all the Jews, Papists, professors upon the Cal-
 led to account, for the blood you have shed upon the earth, &
 Cain's weapons, & hang out Cain's flag of defiance against
 Truth, in his great city, all your outward worshippers, not in
 the Truth, if not in the Truth, mark, that which the Destroyer
 murderer is out of, if Truth that which saves, men's lives,
 destroy, the Powers of Darkness & spiritual wickedness, &
 wrestles with flesh and blood, & destroy, men's lives about
 sacrifices, church ministry & maintenance, which is
 Dragons power, not the true power.
